FIELD TRIPS

Field Trips are designed to complement topics discussed in the foregoing program and are held in the week following that discussion. A series subscriber may also purchase one ticket to each of the five tours. The price of each tour is \$6.00. Luncheon (gratuity included) is provided on all tours. Tours are limited by the capacity of the places to be visited; the limit is included in the description of each tour. Tours are offered on a Tuesday or a Wednesday schedule; subscribers cannot combine these schedules; ticket orders should indicate the weekday preferred. *It is important to show on the order blank whether the alternate date is acceptable if the weekday you prefer is sold out.* To the extent possible, a Tuesday subscriber will be assisted in exchanging his tour ticket with a Wednesday subscriber at the end of the talks the week preceding that tour. *There are no refunds on field trip tickets and no other ticket exchanges can be handled. No one will be admitted to any tour without a ticket; tours must be taken on the weekday for which the ticket is issued; no replacement of lost tour tickets can be made.* All tours (except Four & Five, see below) will depart from and return to the Downtown Center, 65 E. South Water Street. Field trips operate on closely co-ordinated time schedules, and the departure of busses cannot be delayed for late-comers. Comfortable shoes are recommended.
